

RYECROFT C.E. MIDDLE SCHOOL

SUMMER SCHOOL 2021

Ryecroft C.E. Middle School was delighted to provide an action packed summer school week during the school summer holidays. Utilising additional government funding we provided pupils with a blend of academic, pastoral and enriching activities. We also employed teaching assistants in order to support those pupils with SEND needs within the groups and to ensure all activities were inclusive for pupils of all needs.

Focus and Aims of our Summer School

- The aim of the programme was to deliver a blend of academic and enrichment activities.
- The enrichment activities provided an opportunity to support pupil's wellbeing through team activities; sports and dance; and working in the local environment.
- As a middle school we invited pupils transitioning from our lower school (Key Stage 2) into year 7.
- Those in year 5 were invited to support them in their integration into a more normal teaching and learning environment after the Covid-19 restrictions. These pupils has not experienced this since joining us in September 2020.
