Attendance

Regular attendance is essential for your child's success at school. All pupils are expected to attend school every day unless they are unwell. Frequent lateness or absence can significantly impact a child's learning and development. At Ryecroft, we set an attendance target of 96% for each pupil.

How attendance percentages translate to days off:

- 90% attendance = Half a day missed per week
- 1 school year at 90% attendance = 4 full weeks of lessons missed

While we understand that there may be valid reasons for your child's absence, we firmly believe that any pupil whose attendance falls below this target will struggle to keep up with their schoolwork and may find it harder to reach their full potential. Research shows a clear link between poor attendance and lower academic achievement.

We encourage all families to support the idea that school matters by ensuring their child attends every day and arrives on time. We ask that whenever possible, dental and non-emergency medical appointments be scheduled outside of school hours or during school holidays.

It is important to note that if children are taken out for a two-week holiday every year and miss an average amount of time for sickness and appointments, by the time they reach their sixteen birthday, they will have missed an entire year of school.

Punctuality

The school day at Ryecroft begins promptly at 8:45am, and pupils are able to arrive from 8:30am onwards. The start of the day is crucial, and arriving late can mean missing important information during form time. When lessons begin at 9:20am, any late arrival disrupts not only the individual student but also the entire class and the teacher, affecting everyone's learning experience.

We understand that occasional lateness may be unavoidable due to exceptional circumstances, but we expect all pupils to be punctual. Persistent lateness is not acceptable and will be addressed by the Headteacher in conjunction with the Educational Welfare Officer to ensure it does not impact the child's education.

Absence From School Due To Illness

If your child is unable to attend school, a valid reason must be provided. Please contact the school office by telephone (01889 590394) or email (office@rms.i2e.org.uk) between 8:15am and 8:50am on the first day of absence. If the office is closed, you can leave a message on our answer machine.

To ensure the safety of our pupils and promote good attendance, if no contact has been made by 9:30am on the first day of absence, our identified Attendance Leader will call you to confirm the reason for your child's absence. It is our legal responsibility to know why your child is not in school, and we appreciate your cooperation in this matter.

Absence From School Due To Holiday

Under current regulations, Headteachers are not permitted to grant leave of absence during term time unless there are **exceptional circumstances**. The law does not provide parents with an automatic right to take their child out of school during term time.

If you wish to request leave, you must complete a leave of absence form and return it to the school **at least 10 days prior to the requested absence**. This allows us time to consider the request and determine whether it meets the criteria for exceptional circumstances.

Arbor App / Portal

To improve communication with parents, we use the Arbor app. This allows us to send newsletters, event reminders, and important updates directly to your phone. You may receive in-app messages or emails about special events, parents' evenings, school closures, or cancelled activities. Arbor is our main method of communicating with parents, so it is essential that you engage with the App and have notifications turned on.

Please ensure the school has your current mobile number and email address so you are able to stay informed.

Homework

All homework assignments at Ryecroft are set and managed through the Arbor system. Parents and carers can easily access information about their child's homework via the Arbor Parent App. Every pupil and their parents will have access to Arbor, ensuring a seamless experience.

New pupils will be shown how to use the system, including how to log in, view assignments, and submit work through Arbor. This will help ensure they feel confident using the system at home.

Additionally, Arbor supports the transition to Thomas Alleyne's High School in Uttoxeter, as they also use the same system, making the move smoother for students.

Lost Property

If your child has lost an item, please encourage them to check the lost property boxes and ask at the school office. At the end of each term, all unclaimed items will be displayed in the school hall during lunchtime for pupils to collect

School Car Park

The school car park is reserved for staff and official visitors only. Parents/carers must not use the car park for dropping off or picking up children, unless prior arrangements have been made.

At Ryecroft C.E. Middle School, we take the health, safety, and welfare of our pupils, staff, governors, and visitors very seriously. While we cannot control parking outside the school grounds, we ask that everyone parks considerately, ensuring the safety of pedestrians, other road users, and the local community.

Uniform, PE Kit, Mobile Phones and Equipment

Introduction

Dear Parent/Carer,

At Ryecroft CE Middle School, we pride ourselves on having high standards of presentation and uniform, and ask for the continued co-operation of pupils, parents and carers in maintaining these.

We ask all of our pupils to attend school in full uniform. We absolutely understand that there are rare occasions which result in uniform not being worn in full, but ask that this is always communicated with the school in advance of your child arriving that day so that we are aware and can support with providing correct uniform if needed.

Wearing our uniform is an integral part of our pupils' identity and it plays a significant role in creating a sense of unity and belonging.

In order to support families when purchasing uniform, we have included some examples as a guide but would ask that parents/carers contact the school if you have questions ahead of a purchase where you are unsure.

Thank you in advance for your continued cooperation. Please do contact your child's form teacher or our office team if you need further advice or support.

Yours sincerely

Mrs A. Grattage
Executive Headteacher

Hoops, dangly earrings, or any jewellery that may pose a safety risk during physical activities are not allowed.

Compliance

As a parent you are encouraged to contact the school before buying or sending your child to school with anything you feel may be deemed unacceptable due to the expectations stated.

Pupils in breach of school uniform expectations will have items confiscated and placed in the school safe. Pupils will be able to collect the items at the end of the week from the school office from 3.40pm. Where items of non-school uniform cannot be removed/confiscated, parents will be contacted in order to rectify this. Where this is not possible pupils will be placed in the consequence room until resolved.

The school will provide items of uniform for pupils to borrow temporarily for the day (e.g. a school tie) whilst parents seek to rectify the items deemed to be not in line with our policy.

Mobile Phones

We encourage pupils not to bring mobile phones, as we are happy to contact parents/carers in case of an emergency. However, if a student chooses to bring a phone, it must be turned off and kept locked away in their locker at all times. The school also does not permit the use of earphones or smart watches.

The school is not responsible for any lost or damaged phones. If a phone is seen turned on or outside of the locker during the school day, it will be confiscated for the remainder of the day, or for the week if there are repeat offences. Parents/carers may be contacted and asked to collect the phone. If a pupil chooses to bring a phone into school, they are responsible for their device.

Frequently Asked Questions

Frequently Asked Questions

Who do I contact if I have a query about my child?

Your child's **Form Tutor** should be your first point of contact for any general queries. If the question relates to a specific curriculum area, you can contact the relevant subject teacher by leaving a message with our office team.

How do I contact my child's Form Tutor or Subject Teacher?

You can contact the school office on 01889 590394, where staff will try to put you through to the relevant person or take a message if they are teaching. Alternatively, you can email office@rms.i2e.org.uk with your query, stating your child's name and who the message is for.

Please note that if you visit the school during the day, the office can only pass on written messages to staff, as they will be teaching at that time.

We would ask for your understanding that, unless your query is urgent or relates to a safeguarding concern, staff are not expected to respond immediately or on the same day. We aim to respond to all other queries within a reasonable timeframe and appreciate your patience.

How should my child return reply slips to school?

Most consent forms or reply slips are submitted online via **Microsoft Forms**. However, if a paper copy is required, your child can:

- Hand it directly to the teacher.
- Give it to their Form Tutor, who will pass it on.

Submit it to the school office, where it will be placed in the teacher's pigeonhole.

How do I notify the school if my child needs to leave during the school day?

If your child needs to leave school for an unavoidable appointment (e.g., dental or medical) or another reason, please notify the school via email, phone, or a note to the school office. We request at least a day's notice before the appointment if possible.

Frequently Asked Questions (Continued)

How do I request an absence for an important occasion or exceptional circumstance?

To request leave for an important occasion, you must complete a **Leave of Absence** form, available from the school office, or via our website <https://www.ryecroft.staffs.sch.uk/parents---carers/leave-of-absence-form> .

This form must be returned to the Executive Headteacher **at least two weeks in advance** of the requested date. Absences will not be granted retrospectively. The Department for Education states that leave during term time can only be approved for **exceptional circumstances**.

How do I report my child's absence?

Please refer to the relevant page of this booklet for guidance on reporting absences.

How do I get a message to my child?

The school office will only pass on urgent messages to pupils. As the office can be very busy, messages received after **3:15pm** cannot always be guaranteed to reach your child.

I've moved house/changed my number—what do I need to do?

Please inform the school office of any changes to your contact details, including your address or phone number, by phone or by sending a letter with your child. It's important that contact details are kept up to date for emergency purposes.

I need some information about...

For any information, please call the school office on 01889 590394. A member of the team will be happy to assist you.
