

Welcome to your Live Lesson

- Please ensure before the lesson starts that you switch your camera on to show your identity for the register.
- You should **not be in your bedroom but in a shared space in your house,** where this is unavoidable you **must** blur/change the background.
- You must wear appropriate clothing – no pyjamas, T-shirts with offensive slogans etc.
- Your teacher will mute and unmute you as and when appropriate.
- If you have a question, please use the chat facility. Everyone can see this.
- If you cannot switch your camera on then you must respond when asked so that we can recognise your voice. If you cannot identify yourself then you may be removed from the lesson.

Please note:

- Everything you say will be recorded and the recording is shared with the class
- The school behaviour policy is in effect.
- You must inform the teacher if you leave the lesson
- Students re-posting or recording any part of the lesson is **strictly prohibited**
