

Dear Parent or Carer,

PET-Xi Training: Summer School

PET-Xi Training Ltd is delighted to have been invited by Ryecroft C.E. Middle School to deliver our innovative, intensive Summer School Programme to Year 5, starting on 23rd August 2021, as part of the transition into Y6 and 'The SATs Year'. The programme will be motivational and fast-paced, focusing on topics identified by the school to help students reach their full potential. The programme is entitled "Epic Summer 2021" and will allow your child an opportunity to practise their English and/or Maths skills. The programme is delivered in a truly interactive format, with the pupils given an opportunity to engage in a fun and interesting way. Thirty fully funded places are available and will be allocated on a first come, first served basis.

The programme will be delivered by experienced subject experts working in partnership with our enthusiastic, inspirational and dynamic trainers. There will also be peer mentors on hand, specialising in Maths and English, to help and support the students through the programme.

Our motivational lead trainer will keep the pace fast, focused and highly structured, whilst our subject experts will ensure that the content is explained thoroughly and comprehensively, using relevant examples to aid understanding. The role of the peer mentors is to ensure that no student is left behind, providing individual support wherever necessary to ensure the group works at the same pace. If you have any questions or need any further information about PET-Xi and our programmes please contact us on **02476 420310** or visit our website www.pet-xi.co.uk.

To express an interest in this fully funded programme for your child, please complete the reply slip below and return to school by Wednesday 30th June. We will be in touch thereafter to confirm exact dates and details.

Yours faithfully,
