Dear Parents/Carers

2nd July 2021

End of Year Activities

As we approach the end of another busy term, I am writing to clarify our plans for the last few days so that everyone can prepare for them properly and enjoy them in the way they are intended.

It is unfortunate that due to Covid-19 and the variants in our locality, we are still having to apply caution and restrictions to all events and celebrations. However, we would still like our pupils to have the opportunity to have fun with their peers and celebrate their achievements before the end of term. It is with regret that we will not be able to invite parents to join us this year and we thank you for your understanding in this matter.

F.O.R.M have kindly offered to provide a range of refreshments for pupils to enjoy on the sports day afternoons and on the last two days. We would recommend that your child brings some spare change on these days to have a treat and drink of their choosing and not miss out.

Many of the activities mentioned above will take place outside, weather permitting. Please ensure your child brings a hat and sun cream in case the weather is particularly hot and extra drinks (no glass bottles or fizzy pop) to keep them well hydrated.

I would like to take this opportunity to wish you all a safe and relaxing summer holiday. It has been a pleasure to get to know and work with you and your child, whether that has only been for a year or for four.

I wish all pupils every success and happiness for the future and look forward to hearing about their adventures and antics over the coming years.

Yours sincerely

Miss R Baramuszcak
