

UTTOXETER LEARNING TRUST

WELCOME TO OUR SUMMER NEWSLETTER

Welcome from our CEO

It has been a real pleasure getting to know each of the schools in the trust individually, and I have been so impressed to see how both the staff and pupils across our family of schools have dealt with the many challenges and changes that have arisen over this past year. I look forward to seeing them continue to grow and flourish.

In this newsletter you will find more information about our proposal for a new First School in Uttoxeter to join the trust, our associate member The Richard Clarke First School, and how to express an interest in becoming a governor at one of our schools.

I'd like to wish you all a restful and happy summer and look forward to welcoming our children back through our doors in September.

Sarah Clark, CEO

Growing our Trust to provide for the community

We have recently completed a consultation process in order to set up a new free school, Bramshall Meadows First School, to serve the growing Uttoxeter community and specifically the Bramshall Meadows residential development.

The school will open in September 2022 (subject to securing the funding agreement with the secretary of state for education) with places available for reception and nursery pupils. We hope that alongside being a school it will become a hub for the community.

We were delighted with the feedback to our consultation, with over one hundred respondents and an overwhelmingly positive response to our plans.

Welcome to The Richard Clarke First School

The Richard Clarke First School in Abbots Bromley will become a full member of our Trust in the new academic year. They have been an associate member for the past 2 years and collectively we have benefitted from each other's experiences.

We are delighted they will be joining our family and look forward to continuing to learn from one another and creating the best environment we can for all our students to learn in.

You can find out more about the school here:

www.richardclarke.staffs.sch.uk

Become a governor

We are looking for new people to join our local governing bodies. School governors play a pivotal role in holding our schools and our Trust to account and ensuring our students get the best possible education and achieve the best possible outcomes they can. As a governor, you will have a real impact on young people's lives.

To express your interest in becoming a governor at one of our schools, please contact them directly. You can see the full list of schools on our website:

www.uttlit.org/our-academies

If you are interested in becoming a governor for Bramshall Meadows First School, please visit:

www.bramshallmeadows.org.uk to express your interest.
