Letter regarding Covid-19

Dear Parent / Carer,

Please find attached a recent communication from the Local Authority regarding the management of Covid-19 within schools. We have seen cases increasing across the Trust, and as a result schools at the Uttoxeter Learning Trust will be implementing extra measures in line with their risk assessment and contingency plans, which are informed by the schools' context and advice from the local authority health and safety team.

In all our schools' parents and carers can support us by:

- Continuing to LFT test your child twice a week (for Year 7 and above).
- Keeping pupils off school and getting a PCR test as soon as possible at a local testing site if your son / daughter is showing any symptoms of Covid-19 and or a member of the household tests positive for Covid-19
- Keeping pupils at home until they get their result.
- Keeping the school informed of your actions so that the absence can be coded accordingly.
- Encourage pupils to wear face coverings on school / public transport

Yours Sincerely

Dr Sarah Clark (CEO Uttoxeter Learning Trust)
