31st October 2022

Dear Parents /Carers

Year 6 SATs Presentation Evening

On **Tuesday 8th November 2022 at 5.30pm**, we will be holding a meeting aimed at parents with children in Year 6.

During the evening we will be providing a general overview of the forthcoming year, including the range of support and preparatory plans which will be in place leading up to and during the SATs assessments. The subject leaders for Maths and English will inform you of the requirements of the tests in their specific area and we will explain how you can help your child prepare for the tests, including arrangements for interventions, revision classes and recommended support materials that are available.

We will be available to answer any of your questions as a whole group and/or individually afterwards, if needed.

We expect that the meeting will last for approximately one hour and we do hope you will be able to join us to ensure we are all best placed to support your child through this important stage of their education.

In order to help us prepare for the evening, we would be grateful if you could please click on the link below and complete the form by **Friday 4th November 2022**.
