

Tuesday 23rd January 2024

Dear Parents/Carers

Future Intentions Event-Volunteers needed

Would you be willing to deliver a short presentation or lead a Q&A session with a small number of our pupils, or do you know someone who can help to deliver an assembly or workshop on a career of their choice?

On **Tuesday 5th March**, we will be holding another careers day for your children, focussing on their future intentions and aspirations. This day will be dedicated to careers, education and training, during which pupils will be taking part in bespoke sessions, watching presentations, taking part in demonstrations and gaining a valuable insight into a range of possible career pathways.

The activities will usually run for 30-60 minutes, with classes of 20-30 pupils. The aim is to inspire and educate our pupils on the vast opportunities available to them, raising their aspirations and providing the motivation and support to make informed decisions that enable them achieve their best in life.

Our previous careers events have been a huge success, thanks to the fabulous support provided by our parents and local community. Therefore, we would love for these sessions to be delivered by as many external agencies, visitors and volunteers as possible.

Please get in touch, your help and ideas would be greatly appreciated, no matter how big or small.

If you are interested in helping, please click on the link below and complete the online form by Sunday 25th February 2024 at 11:45pm.
