

Friday 30<sup>th</sup> January 2026

Dear Parent/Carer

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 6<sup>th</sup> February 2026.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services, such as Childline – the helpline that is always there for children and young people, whatever their problem or concern. On average, a child contacts Childline every 25 seconds.

### Making maths meaningful

Number Day is also a great opportunity to make maths fun and to promote a positive, 'can-do' attitude towards the subject. Throughout the day:

- Maths lessons will look a little different, with lots of puzzles and problem-solving activities
- Pupils will compete against schools across the country in the online TTRockstars NSPCC Rocks competition
- A range of maths-based activities will take place across lessons to highlight cross-curricular links
- We will be taking part in Dress up for Digits, with pupils encouraged to dress in a maths- or numbers-themed outfit, or **wear an item of green clothing** (preferably with a number on it)

### Safe fundraising – it all adds up!

To help raise money for the NSPCC, we are asking for a **minimum donation of £1.00** payable via Arbor (under School Shop). To enable your child to attend school in non-uniform, donations are required **by 12:00noon next Thursday 5<sup>th</sup> February 2026.**

Over the years, we have raised **over £2,000** for the NSPCC. Every donation made at Ryecroft makes an enormous difference to the children and young people supported by the charity.

We are really looking forward to all the fun of Number Day and greatly appreciate your continued support.

Yours sincerely

**Mr A Hughes**  
Head of Mathematics / Pastoral Lead / Careers Lead
